Ethiopia	Military and Police Capabilities: 1 Infantry Battalion; 1 Infantry Company; 1 Special Force Company; 1 Force Protection Company; 1 Quick Reaction Force Company; 1 Utility Helicopter Unit.
Finland	<p>Training and Partnerships: Organize twice a year the UN Military Observers Course (UNMOC) with a Gender parity concept and yearly the UN Comprehensive Protection of Civilians Course (UNCPOC).</p> <p>Women, Peace and Security: Additional contribution to support the Women’s Military Peace Operations Course (WMPOC) and to assist in the conduct of training.</p> <p>Miscellaneous: Additional contribution for implementation of the “Development and the implementation of a revised and strengthened screening policy for the selection of senior leaders in the field” project; additional contribution to support the continued implementation and development of the Comprehensive Planning and Performance Assessment System (CPAS).</p>
France	<p>Military and Police Capabilities: Continuation of military equipment transfer for free to potential TCCs.</p> <p>Training and Partnerships: First French-speaking Gender Military Adviser Course in Paris, training nearly 30 soldiers; 7th Training of Trainers in French organized in 2024 for 30 officers from around 20 countries committed into missions in French speaking areas; support to 8 Peacekeepers Training Centers (in Asia, Africa and South America) through making available 8 French military advisers and funding to support the implementation of projects (training, equipment) for the centers; contribution to UN Mobile Training Teams on some specifically targeted theaters, in strategic domains for contingent performance and safety and security.</p> <p>Safety and Security: Seminar on Peacekeepers Security with UN OPSP.</p> <p>Funding: Nearly 15 million USD: 7.5 million USD for the Peacebuilding Fund, more than 3 million USD for DPO, more than 1 million USD for DPPA, more than 1 million USD for DOS, more than 1.5 million USD for UNDOC.</p> <p>Miscellaneous: Release of a new edition in French of the force generation process guide in liaison with the UN and TCCs; proposal for Strategic UN Doctrine design accompaniment; support to peacekeeping academic research through the funding of think tanks; continuation of experts limited in time detachments in order to answer to identified needs.</p>
Gambia	Military and Police Capabilities: 1 Transport Company; 1 Military Police Company; 10 Staff Officers; 15 Military Observers.
Germany	<p>Military and Police Capabilities: Military Public Information Officers or Military Staff Officers with geospatial analysis expertise.</p> <p>Training and Partnerships: Up to six MTTs in TCCs, In-Mission-Training, UNSOC, UNMOC, UNSO ToT course (2025); development of doctrine and training material; integrated Planning project; building regional networks (LCM); implementing Carana in UA; enhancing UN-AU cooperation; MTTs and training for IPOs in Germany (including Training of Trainers), e.g. Investigating and Preventing Sexual and Gender Based Violence, PoC, Communications, Project Management, WPS. Peacekeeping-Intelligence Academy, BDRMA. Provision of adequate personal protective equipment for Women Peacekeepers to TCCs; provision of Counter-Improvised Explosive Device equipment to TCCs and UN Missions; supporting the Department of Operational Support Uncrewed Aircraft Systems and Airborne Intelligence, Surveillance and Reconnaissance Programme with funding and personnel.</p>

	<p>Women, Peace and Security: Elsie Initiative Fund contribution, WMPOC in Berlin; planned extra-budgetary project for accelerating WPS.</p> <p>Technology: Planned extra-budgetary project for Driving Innovation.</p> <p>Medical: Provision of buddy first-aid kits and training for TCCs.</p> <p>Mental Health: Implementation of Mental Health Strategy.</p> <p>Protection of Civilians: Planned extra-budgetary projects: PoC in Peacekeeping, Security Sector Reform Surge Capacity.</p> <p>Environment: Committing to source 80% of electricity from renewable energy by 2030 in its infrastructure, i.e. in UNIFIL; provision of renewable energy systems in a capacity building partnership with UN.</p> <p>Miscellaneous: Intent to host the High Level Peacekeeping Retreat in Berlin in 2024. Specialized civilian personnel, including in data analysis, JPOs.</p>
Ghana	<p>Military and Police Capabilities: One Counter-Improvised Explosives Devices Company, one Level II Hospital and one Airfield Support Unit.</p>
Greece	<p>Training and Partnerships: Provide and sponsor pre-deployment training to UN personnel on counter-improvised explosive devices (C-IED) (with costs covered by the host nation – up to 9 persons).</p> <p>Mental Health: Psychometric tool for the prevention, assessment and early detection of mental disorders, especially of post-traumatic stress disorder, as a new selection and evaluation method for the personnel of UN peacekeeping operations.</p> <p>Environment: “Autonomous Portable Power Generation Storage and Management Hybrid Power Unit” (photovoltaic cells, batteries, power generators; silent operation with low thermal footprint) to a “UN Smart Camp”.</p>
Guatemala	<p>Training and Partnerships: Support the pre-deployment training, accountability and compliance by translating to Spanish the Deployment Review Digital Toolkit APP in partnership for the implementation with the Light Coordination Mechanism.</p> <p>Medical: Support the safety and security strategies and the training in first aid of the peacekeepers by translating to Spanish the Buddy First Aid APP in partnership for the implementation with the Republic of Ireland.</p> <p>Mental Health: Support the implementation of the Mental Health Strategy for United Nations Uniformed Personnel together with Germany, Denmark, the Netherlands, Ireland and Israel; among other things, by piloting the Digital Mental Health Platform upon the development and providing the Spanish translation of the Digital Mental Health Platform for the United Nations.</p>
Hungary	<p>Military and Police Capabilities: Providing 5 flight hours of the Heavy Airlift Wing for Peacekeeping in 2024.</p> <p>Training and Partnerships: Three training courses: 2x International Military Observers Course, 1x Train of Trainers Course of Force Protection for Military and Police Units.</p> <p>Technology: 110,000 USD funding for the Digital Transformation of UN Peacekeeping.</p>
India	<p>Military and Police Capabilities: Elevate 1 Infantry Battalion, 1 Signals Company and 1 Engineer Company to PCRS RDL-60; 1 Quick Reaction Force (QRF) Company; 1 Special Forces (SF) Company; 1 Light Utility Helicopter Unit; 1 Surveillance Unit; 2 Explosive Ordnance Disposal (EOD)/Improvised Explosive Device (IED) Teams; 1 Police unit with SWAT; 1 Police QRF Companies; 1 FPU.</p> <p>Training and Partnerships: UN Pre-Deployment Training of Trainers Course; UN Military Observers Course; UN Police Skill Development Course for International participants.</p>

Indonesia	<p>Military and Police Capabilities: 1 Infantry Battalion; 1 Formed Police Unit.</p> <p>Training and Partnerships: Pre-Deployment Training for Formed Police Unit and Capacity Building programme on Protection of Civilians and Senior Mission Leaders; Indonesian National Armed Forces Peacekeeping Center and Indonesian National Police Peacekeeping Center to serve as a training hub for international peacekeepers.</p> <p>Women, Peace and Security: Conduct a forum on Women, Peace, and Security best practice and national database on trained women peacekeepers.</p>
Ireland	<p>Military and Police Capabilities: Additional uniformed capabilities (troops) available to augment the Irish battalion in UNIFIL.</p> <p>Training and Partnerships: Host an UNPOL workshop on the framework of the implementation of the new Police Training Architecture; host a Training of Trainers Course on UN Police Individual Police Officer Specialised Training Material.</p> <p>Mental Health: Funding of \$249,200 towards the design phase of the Digital Mental Health Platform for UN Uniformed Personnel, in support of the Mental Health Strategy for UN Uniformed Personnel.</p> <p>Strategic Communications: Financial support of \$110,000 to support the 'Addressing Mis/Disinformation in UN Peacekeeping Settings, 2024' project, to help improve the safety and security of UN peacekeepers.</p> <p>Women, Peace and Security: Contribution of \$110,000 to the 'Accelerating Implementation of the Women Peace and Security Agenda' project.</p>
Israel	<p>Training and Partnerships: Support to Field Medical Assistant Course training (RSCE, Entebbe).</p> <p>Medical: Support for the UN Telemedicine project.</p> <p>Mental Health: Support for the implementation of the Mental Health Strategy for United Nations Uniformed Personnel.</p>
Italy	<p>Training and Partnerships: 12 multidomain specialized courses on: Topography and Land Navigation; Civil Military Cooperation (CIMIC) - 4 different courses; Female Engagement; Security Force Assistance (SFA); Police monitoring, mentoring and advising; Community-oriented Policing; Police capacity building; Security Sector Reform (SSR) Basic Course; Military First Aid.</p>
Japan	<p>Training and Partnerships: Contribute 8.5 million USD to enhance the Triangular Partnership Programme, including training for AU Peace Support Operations personnel and training in new fields, such as C-IED and environmental management. Contribute to the establishment of PKI analytic technique course through cooperation on curriculum development.</p> <p>Women, Peace and Security: Increase representation of women among seconded personnel in UNMISS; increase women among personnel for TPP trainings; launch new Japan-ASEAN capacity building programs on Women, Peace and Security (WPS); contribute financially to the Women's Outreach Course in the UN C4ISR Academy.</p> <p>Miscellaneous: Contribute financially to CPAS; organize symposiums and seminars on international peace.</p>
Kenya	<p>Military and Police Capabilities: 1 Quick Reaction Force Company (QRF); 1 Level 2 Field Hospital; Armed Helicopter unit (MD 500 Model).</p> <p>Training and Partnerships: Mobile Training Team (MTT) for Counter Improvised Explosive Devices (C-IED).</p>
Malawi	<p>Military and Police Capabilities: 1 Infantry Battalion; 1 Military Police Company.</p>

Mexico	Training and Partnerships: 1 Mobile Training Team focused on engineering, humanitarian aid, and assistance to the civilian population, among others.
Mongolia	<p>Military and Police Capabilities: Elevate Level 2 Hospital and Engineering Company to Level 3 of the PCRS.</p> <p>Training and Partnerships: Host the UN Senior National Planners Course (UNSNPC) in 2024 for sponsoring related costs.</p> <p>Mental Health: Pilot the Peacekeepers family civil support project and share experience and lessons learned.</p> <p>Environment: Increase renewable energy capability to the Mongolian infantry battalion in UNMISS.</p> <p>Women, Peace and Security: Pledge to achieve the Secretary General’s Uniformed Gender Parity Strategy in peacekeeping operations.</p>
Morocco	<p>Military and Police Capabilities: 1 Infantry Battalion; 1 Mixed Engineering Company; enhance 1 Morocco’s contingent in MINUSCA with UAS capabilities; 4 K-9 teams.</p> <p>Training and Partnerships: 12 training courses, notably in the fields of protection of civilians, telemedicine, mental health, engineering, environmental focal points; reference manuals based on the RAF experience in terms of good ecological practices, disinformation and protection of civilians.</p> <p>Women, Peace and Security: Deployment of an engagement team (ET) in the RAF contingent/MINUSCA, organization of training courses for Military Gender Advisors (MGA) and Gender Focal Points (GFP) and membership of the Elsie Fund Initiative for women in Peace Operations.</p> <p>Medical: Level 4 hospital.</p>
Nepal	<p>Military and Police Capabilities: Deploy up to 10,000 troops at the request of the UN; 1X EOD Coy; 2x Formed Police Units to be elevated to RDL; Canine Capability; Specialized Police Teams in community-oriented policing, environmental crime, public order management, border policing and protection of civilians; additional Individual Police Officers for counter organized crime, environmental crime and terrorism, risk analysis, strategic and operational planning, data analytics and management, SGBV, gender mainstreaming, electoral security, public information and community oriented policing advisors. Police specialist in criminal analysis, human, open-source, imagery analysis.</p> <p>Training and Partnerships: Avail the infrastructure and instructional staff in support of UN’s training requirement; deploy Mobile Training Teams especially in C-IED and BFAC training programs.</p> <p>Women, Peace and Security: Meet SG’s Uniformed Gender Parity Strategy Target; deploy women in operational role; train commanders (men and women) on gender responsive leadership; gender sensitive healthcare, accommodation and facilities</p> <p>Medical: Participate in the Telemedicine Pilot Project-UNDOF and UNSMIL</p> <p>Mental Health: Reinforce process of assessment, prevention, mitigation and treatment of mental health conditions and associated risk factor; support and comply with the implementation of Mental Health Strategy developed by the UN.</p> <p>Conduct: Contribute to Trust Fund for victims of SEA (Nepali Army-10000 USD, Nepal Police-2500 USD and APF- 2500 USD).</p> <p>Environment: Reduce environmental footprints in the field mission; deploy renewables in UNMISS and BPOTC; develop the BPOTC into the first ever fully renewable energy operated peacekeeping training center; replicate similar renewable project in other missions in partnership in the model of triangular support or bilateral support.</p>

	<p>Technology: Offer a simulation software for United Nations Military Observers Training to ITS to be utilized in UN trainings; partner with other Member States in integrating technology in peacekeeping in order to enhance capacity and ensure protection.</p>
Netherlands	<p>Training and Partnerships: Financial contribution to the Light Coordination Mechanism (LCM) project.</p> <p>Mental Health: Financial contribution to the building and maintenance of Digital Mental Health Platform for UN Uniformed Personnel project.</p> <p>Women, Peace and Security: Financial contribution to a GPOI pilot project on the development of Women’s Body Armor.</p> <p>Protection of Civilians: Financial contribution to the Civilian Harm Mitigation (CHM): Strengthening Measures project.</p> <p>Funding: Financial contribution to the Peacekeeping-Intelligence Academy project.</p> <p>Miscellaneous: Financial contribution to the International Peace Institute.</p>
Nigeria	<p>Military and Police Capabilities: 1 Level 2 field hospital; 2 Infantry Battalions; 2 Infantry Companies; 1 Signal Company; 1 Explosive Ordnance Disposal Company; 1 Military Riverine Unit; 2 Formed Police Units; 2 Airfield Support Unit; 1 Fixed Wing ISR Unit; 1 UAS Unit, 1 Armed Helicopter Unit; 1 Air Field Defence and Critical Assets Protection Unit.</p> <p>Training and Partnerships: Free training slot at Martin Luther Agwai International Leadership and Peacekeeping Training Centre of Excellence; Subject Matter Experts in mission areas such as peacekeeping-intelligence, Base Defence, Force Protection, Military Police and Investigators.</p> <p>Miscellaneous: Gratis personnel in various fields [Aviation (Crewed and uncrewed), Logistics, Medical and ICT].</p>
Norway	<p>Training and Partnerships: Pre-deployment training and capacity building with Nordic and other partners.</p> <p>Technology: Funding to support the Digital Transformation Strategy.</p> <p>Women, Peace and Security: Funding for combatting conflict-related sexual violence (CRSV) and gender responsive UN police activities.</p> <p>Protection of Civilians: Funding for child protection.</p> <p>Strategic Communications: Funding for addressing mis- and disinformation.</p> <p>Funding: Financial contributions to UN police and peacekeeping-intelligence.</p> <p>Miscellaneous: Funding for the development of manuals for the Strategic Guidance Framework for International Policing.</p>
Pakistan	<p>Military and Police Capabilities: 1 Strategic Communication Unit; 1 Infantry Battalion; 1 Base Defense Company; 1 Infantry Company; 2x HQ Support Companies; 1 Special Forces Company; 1 Medium Utility Helicopter Unit; 1 Light Armed Helicopter Unit; 1 Air Support Element; 1 Riverine Company; 50x Individual Police Officers with expertise in environmental crime, electoral security, data analytics and management, crime analysis; 50x Staff Officers; 50x Military Observers; vehicle mounted jammers.</p> <p>Training and Partnerships: Peacekeeping Training Courses (UN Military Observer Course, UN Staff Officers Course (UNSOC), UN Protection of Civilian (UNPoC), UN Pre Deployment Training Course (UNPDTTC), UN Explosive Ordnance Disposal Course (UNEODC), UN Peacekeepers-Intelligence Course (UNPIC), UN Engagement Platoon Course (UNEPC), UN Logistics Officer Course (UNLOC), UN Senior Mission Leadership Course); assistance in revision of EOD Manuals and IED Handbooks.</p> <p>Strategic Communications: 35x Staff Officers with technical expertise for Open Source Analysis, Threat Mitigation.</p>

	<p>Environment: Solar panel, installation of 1x additional 24 KVA renewable energy system in year 2023-2024; small arms incinerator & portable barrel incinerator for safe disposal of solid waste.</p> <p>Women, Peace and Security: Enhance representation to 21% of Staff Officers by 2024.</p> <p>Medical: 300x Buddy First Aid Kits.</p> <p>Mental Health: Support in development of mental health applications.</p>
Philippines	<p>Military and Police Capabilities: 1 Quick Reaction Force Company, 1 Military Engineering Company, 1 Formed Police Unit.</p> <p>Training and Partnerships: Hosting of the 2024 UN Police Certified Instructors Development Course; availability of the UN Certified Trainers for the UN Mobile Training Teams.</p>
Poland	<p>Military and Police Capabilities: Readiness to deploy Staff Officers to UNIFIL.</p> <p>Training and Partnerships: UN Military Observers Course conducted by Military Training Centre for Foreign Operations.</p> <p>Women, Peace and Security: Increase participation of women in the armed forces and UN Peacekeeping missions.</p>
Portugal	<p>Military and Police Capabilities: 1 Specialized Police Team, composed of 3 to 5 police officers, experts on public order management.</p> <p>Environment: Deployment of renewable energy capacity to Quick Reaction Force (QRF) in MINUSCA, up to 50,000 USD.</p> <p>Women, Peace and Security: Promote the meaningful representation of women in defence, including all efforts to achieve the targets established in the Uniformed Gender Parity Strategy and maintain national mentoring programmes with women previously deployed to UN peacekeeping missions.</p>
Republic of Korea	<p>Training and Partnerships: Provide engineering equipment and training to Cambodia; expand TPP to include other ASEAN TCCs in counter-IED and medical training</p> <p>Technology: Support UN Smart Camp initiative</p> <p>Strategic Communications: Support the development of cross-platform monitoring and analysis tool</p> <p>Women, Peace and Security: Host training courses for female military officers; contribute an additional 500,000 USD to the Elsie Initiative; organize a cross-mission learning session at the Conference on Action with Women and Peace in 2024</p> <p>Funding: Contribute 3 million USD to extra-budgetary fund for the DPO and DOS; contribute 3.5 million USD to the DPPA multi-year appeal; contribute 8 million USD to the Peacebuilding Fund</p>
Romania	<p>Military and Police Capabilities: Partner with Portugal in integrating 40 Romanian troops within the Portuguese QRF in MINUSCA.</p> <p>Women, Peace and Security: Train all commanding officers on gender-responsive leadership and measure performance; conduct barrier assessments in national security institutions and share lessons learned; commitment of the Romanian Ministry of National Defence to Women’s Leadership and Full, Equal, and Meaningful participation across Peace, Security and Humanitarian Sectors (Compact on WPS and Humanitarian Assistance).</p>
Rwanda	<p>Military and Police Capabilities: 1 UAS Unit (2 tasking lines) with Tactical and Medium Altitude Long Endurance (MALE) to improve Intelligence Surveillance and Reconnaissance; deploy All-Terrain Vehicles to improve the mobility of troops in UNMISS in the rainy season.</p>

	Training and Partnerships: Contribute to capacity building through the Triangular Partnership Program (TPP) and the Light Coordination Mechanism (LCM).
Serbia	Training and Partnerships: Host the Staff Officer Specialized Training Materials (STM) Pilot/Validation Course in February-March 2024; host the Engagement Platoon Reinforcement Training Package (RTP) Training of Trainers (ToT) in May 2024; host the Infantry Battalion ToT or Force Protection Course in second half of October 2025; 1 Mobile Training Team in July 2024 and 2 Mobile Training Teams (MTT) in 2025 for UN Staff Officers (UNSO) course; up to 2 trainers per year to support the Triangular Partnership Programme (TPP) Field Medical Assistant Course (FMAC) in 2024 and 2025.
Sierra Leone	Military and Police Capabilities: 1 Quick Reaction Force (QRF) Company.
Slovenia	Training and Partnerships: Support of delivery of trainings through Slovenian Peace Operations Training Centre on Women, Peace and Security, Environmental Peacebuilding, Climate, Peace and Security and Protection of Civilians. Environment: Support to Peacebuilding Fund in its increased efforts to address climate-related security risks on the ground. Safety and Security: Engagement in demining and mine victims assistance programmes through ITF Enhancing Human Security.
South Africa	Military and Police Capabilities: Additional Staff Officers and Military Observers; and 1 Geospatial Information System Capability. Training and Partnerships: Provide Mobile Training Team on Gender and Peacekeeping-Intelligence; Provide Capability Enhancement to TCCs during Pre-deployment on Gender, SEA, and support with Lessons Learnt on Breaking Barriers on Gender Mainstreaming. Women, Peace and Security: Provide senior women officers for UN Women Talent Pipeline initiative; offer more women officers for senior positions in UN Missions and UNHQ; and increase woman individual military personnel to beyond 23%; host WPS Seminar for UN on Post Conflict Reconstruction and Development for Women in Africa. Mental Health: Mental and Welfare Professionals Experts and Expertise for Capacity Building of TCCs. Medical: Host Field Medical Assistant ToT Course; conduct Battlefield Advanced Trauma Life Support Training; and provide Battlefield Advanced Trauma Life Support Training. Miscellaneous: Host UN Peacekeeping Ministerial during the next cycle/slot for Africa.
Spain	Training and Partnerships: In 2024 and 2025, offer online courses of "Gender Advisor in Peace Operations" in Spanish language.
Sri Lanka	Military and Police Capabilities: 1 FPU with SWAT, 2 Force Protection Companies, 1 Infantry Battalion, 1 Quick Reaction Force Company, 1 Special Forces Company, 2 Explosive Ordnance Disposal Companies, 1 Combat Convoy Battalion, 1 Air Field Support Unit, 1 Signals Company, 2 Military Police Companies, 1 Medium Utility Helicopter Unit; additional Military Staff Officers/Military Observers and Individual Police Officers. Training and Partnerships: Sri Lanka Institute of Peace Support Operations Training Center is ready to conduct trainings/exercises for all troop contributing countries.

Sweden	<p>Training and Partnerships: Increased support to the capacity building of military peacekeepers and support in conducting pre-deployment training within certain expertise areas; support to police pre-deployment training and hosting of UN Police Commanders workshop and course; training to Senior Mission Leadership, including Gender Responsive Leadership.</p> <p>Funding: Increased financial support to the UN especially focused towards developing the UN peacekeeping-intelligence capacity, efforts against mis- and disinformation, technical innovations towards more efficient mission, mission leadership development, women, peace and security as well as the advancement of female peacekeepers, safety and mental health of peacekeepers and climate and security.</p>
Switzerland	<p>Training and Partnerships: Co-host Senior Mission Leadership (SML) Course 2024 together with Kenya in Nairobi; host UN Police Commissioner Course (UNPCC); host UN Mission Advanced Staff Training (UNMAST); host Swiss United Nations Military Observer Course (SUNMOC); host UN Humanitarian Civil-Military Coordination Skills Training (UNCMSTC); host UN TPP Engineering Training in Nairobi, host Annual Senior Officer Seminar 2024 (ASOS), host DCAF/SWISSINT SSR/DDR Course; support Electronic Core Predeployment Training Materials (eCPTM) (CHF 950,000); support Trust Fund UN TPP Engineering (CHF 100,000); expert support, among others in peacekeeping training centers such as KAIPTC and at UN HQ, including providing a DMilAd to UN Women.</p> <p>Conduct: Support SEA-Trustfund (USD 40,000).</p> <p>Miscellaneous: Support EPON/GCSP study on new forms of Peacekeeping, support UN Peace Missions Mandate Website / App, support IPI Conference Series on Prioritization and Sequencing of UN Security Council Mandates; Support Comprehensive Planning and Performance Assessment System (CPAS) (CHF 100,000), Support Office for Peacekeeping Strategic Partnership (CHF 80,000).</p>
Togo	<p>Military and Police Capabilities: 2 Formed Police Units; 1 Infantry Battalion; 1 Quick Reaction Force Company.</p>
Türkiye	<p>Training and Partnerships: UN Military Observer Course; Crisis Response Operations Staff Officer Course; Maritime Security Operations Staff Officer Course; Courses on Armed Conflict Law, Strategic Communications, Civilian Military Interaction/Cooperation, Gender Awareness in Peace Operations, Maritime Security and Counter Piracy, Counter-Irregular Migration, Cyber Intelligence in Maritime Security Operations, Maritime C-IED Awareness, Naval Cooperation and Guidance for Shipping, CBRN Defense.</p>
Uganda	<p>Military and Police Capabilities: 2 Light Infantry Battalions; 1 standard FPU including an embedded SWAT.</p>
United Kingdom of Great Britain and Northern Ireland	<p>Training and Partnerships: Development of the UK Enhanced Training Model (ETM), providing specialist training assistance before and during peacekeeping missions to peacekeeping partners, based on the requirements of T/PCCs and approval of the UN.</p> <p>Women, Peace and Security: Funding for the Elsie Initiative and the Senior Women Talent Pipeline; enable and support the delivery of the UN Women’s Military Peace Operations Course.</p> <p>Strategic Communications: Accreditation for British Peace Support Team to deliver Military Peacekeeping-Intelligence courses; support development of a UN in-house Open Source Intelligence course, by providing well-regarded UK expertise and continuing major contributions to developing UN doctrine in this field; continued funding for UN counter-mis/disinformation project.</p>

	<p>Medical: Developing our ‘Buddy First Aid’ Train-the-Trainer offer through our ‘Master Trainer’ and ‘Super Trainer’. Contributing to the thematic development of Telemedicine within the UN by providing a British expert to the Telemedicine Advisory Committee.</p> <p>Safety and Security: Building on the significant 2023 offer of C-IED training, including potentially by deploying joint Mobile Training Teams (MTT) or Mobile Mentoring Teams (MMT) with existing partners to build C-IED capacity in UNPK missions.</p>
